

Total Gut Restoration

RECONDITION | REINFORCE | REBUILD

MegaSporeBiotic™

MegaSporeBiotic™ is the first 100% spore-based, broad-spectrum probiotic clinically shown to improve leaky gut by 60% in just 30 days. This unique all-spore formula effectively **RECONDITIONS** the gut by increasing microbial diversity and encouraging the growth of key health-promoting, commensal gut bacteria. MegaSporeBiotic™ boasts a 5-year shelf-life, does not require refrigeration, and maintains efficacy during antibiotic therapy.

MegaPre™

MegaPre™ is the first Precision Prebiotic™ supplement made up of clinically-tested, non-digestible oligosaccharides that can increase microbial diversity and selectively feed beneficial bacteria like *Akkermansia muciniphila*, *Faecalibacterium prausnitzii*, and *Bifidobacteria*. MegaPre™ **REINFORCES** the beneficial microbial changes created by MegaSporeBiotic™ to promote a strong and diverse microbiome.

MegaMucosa™

MegaMucosa™ is the first complete mucosal support supplement of its kind, formulated with key amino acids to **REBUILD** a healthy mucosal barrier. MegaMucosa™ also contains dairy-free immunoglobulins clinically shown to support a healthy immune response in the mucosa and a state-of-the-art flavobiotic clinically shown to support microbial diversity and alleviate barrier dysfunction, otherwise known as leaky gut.

MegaGuard™

MegaGuard™ is a novel digestive aid that combines protective licorice polyphenols, cleansing artichoke leaf extract, and soothing ginger to promote normal digestion, regulate stomach acid, balance H. pylori levels, and reduce occasional digestive discomforts such as gas, bloating, and indigestion.

MegaMycoBalance™

MegaMycoBalance™ is formulated with undecylenic acid and bee propolis to support healthy yeast and fungal balance in the vaginal and intestinal flora. When taken in conjunction with MegaSporeBiotic™, MegaMycoBalance™ can help RECONDITION the gut and promote healthy yeast balance throughout the body.

Mega IgG2000™

Mega IgG2000™ is a dairy-free, high concentration immunoglobulin (IgG) that supports mucosal immunity, maintains microbial balance, supports a healthy response to environmental toxins, and helps repair leaky gut.

WheatRescue™

WheatRescue™ is a unique blend of powerful digestive enzymes and probiotics designed to support optimal gluten digestion and protect against hidden sources of gluten. DPP-IV and Tolerase G® are specific enzymes that assist in the breakdown of glutenin and gliadin proteins, which can help alleviate symptoms associated with dietary gluten intolerance and sensitivity.

HU58™

HU58™ is a high potency dose of Bacillus subtilis HU58 formulated to enhance the efficacy of MegaSporeBiotic™. HU58™ can produce over 12 targeted antibiotics in the intestines, which makes it particularly effective in balancing intestinal microflora.

RestorFlora™

RestorFlora™ is another adjunct probiotic containing Saccharomyces boulardii, Bacillus clausii, and Bacillus subtilis HU58, formulated to enhance MegaSporeBiotic™ and reduce digestive symptoms associated with antibiotic therapy.

MegaQuinone K2-7™

MegaQuinone™ is a high-dose, 100% soy-free formulation of natural vitamin K2 (MK-7) formulated for optimal bone, nerve, and heart health. This formula includes 320 mcg of vitamin K2 with vitamin K1 and chelated minerals for absorption.

MyoMax™

MyoMax™ is a high-dose, 100% soy-free vitamin K2 (MK-7) supplement formulated for improved mitochondrial function. This formula includes 300 mcg of vitamin K2 with calcium pyruvate for enhanced ATP production.
**Safe for patients taking anticoagulants like warfarin.*
